

The Vine Pastoral Counseling Center
Full Time Licensed Therapist
Job Description
12/3/21

Description: The Vine Pastoral Counseling Center is seeking a full time (24 clinical hours per week) licensed mental health professional to meet the demands in a growing practice. The person will provide individual, marital and family therapy with the opportunity to offer workshops for the community. The Vine is a nonprofit organization that fosters the use of faith resources to heal emotional problems. We have been in existence in the community since 1999, and we currently have 21 supporting churches. We have a sliding fee scale so that a person's fee is set according to their ability to pay. We see people across the economic spectrum and also file insurance. We believe that making counseling available to all honors the heart of Christ. Please read more about our ministry at <https://vinepcc.com>.

Requirements:

Licensure to practice in the State of Alabama is required. Therapists with the following licensures will be considered: LMFT, LPC, LiCSW, Licensed Clinical Psychologist. 5+ years of experience is preferred.

Benefits:

This full time position does include benefits including support for medical premiums or retirement, at the choice of the employee. It also includes paid vacation hours.

Wage:

The compensation will be negotiated based on the therapist's experience level.
